INDEPENDENT AUDITOR'S REPORT

Board of County Commissioners
Atchison County, Kansas

Adverse and Unmodified Opinions

We have audited the accompanying fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances of Atchison County, Kansas, (the County) as of and for the year ended December 31, 2022, and the related notes to the financial statement.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the "Basis of Adverse and Unmodified Opinions" section of our report, the accompanying financial statement referred to above does not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the City as of December 31, 2022, or the changes in financial position and cash flows thereof for the year then ended.

Unmodified Opinion on Regulatory Basis of Accounting

In our opinion, the accompanying financial statement referred to above presents fairly, in all material respects, the aggregate cash and unencumbered cash balance of the County as of December 31, 2022, and the aggregate receipts and expenditures for the year then ended in accordance with the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide* described in Note 1.

Basis for Adverse and Unmodified Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS), and the *Kansas Municipal Audit and Accounting Guide*. Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statement" section of our report. We are required to be independent of the County, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our adverse and unmodified opinions.

Matter Giving Rise to Adverse Opinion on U.S. Generally Accepted Accounting Principles

As discussed in Note 1 of the financial statement, the financial statement is prepared by the County on the basis of the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide*, which is a basis of accounting other than accounting principles generally accepted in the United States of America. The effects on the financial statement of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Responsibilities of Management for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the *Kansas Municipal Audit and Accounting Guide* as described in Note 1; this includes determining that the regulatory basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error. In preparing the financial statement, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statement

Our objectives are to obtain reasonable assurance about whether the financial statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statement.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statement, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statement.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the County's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances (basic financial statement) as a whole. The summary of regulatory basis expenditures-actual and budget, individual fund schedules of regulatory basis receipts and expenditures-actual and budget, and the summary of receipts and disbursements-agency (Schedules 1, 2, and 3 as listed in the table of contents) are presented for analysis and are not a required part of the basic financial statement, however, are required to be presented under the provisions of the *Kansas Municipal Audit and Accounting Guide*. The tax roll reconciliation and schedule of receipts and disbursements-special obligation sales tax revenue bond (Schedules 4 and 5 as listed in the table of contents) are presented for purposes of additional analysis and are not a required part of the basic financial statement. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statement. The information has been subjected to the auditing procedures applied in the audit of the basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statement or to the basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statement as a whole, on the basis of accounting described in Note 1.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Financial Reporting Entity

Atchison County, Kansas (the County), is a municipal corporation governed by an elected three-member commission. These financial statements present Atchison County (the primary government) and its related municipal entity. The related municipal entity is included in the County's reporting entity because it was established to benefit the County and/or its constituents.

Extension Council. The Atchison County Extension Council provides services in such areas as agriculture, home economics, and 4-H clubs, to all persons in the County. The Council is an elected four-member executive board. The County annually provides significant operating subsidies to the Council. Kansas State University provides the County Extension Council non-cash receipts and disbursements that are reflected as cash in and cash out for regulatory basis reporting purposes within the related municipal entity schedule.

Because the Extension Council is not a separate taxing entity, the County levies tax for the Extension Council's operations. The County appropriated \$88,000 to the Extension Council in 2022. The Extension Council is presented as a governmental fund type. Separate financial information for the Extension Council may be obtained from their administrative offices at 405 Main, Effingham, Kansas 66023.

Basis of Accounting

Regulatory Basis of Accounting and Departure from Accounting Principles Generally Accepted in the United States of America. The *Kansas Municipal Audit and Accounting Guide* (KMAAG) regulatory basis of accounting involves the recognition of cash, cash equivalents, marketable investments, and certain accounts payable and encumbrance obligations to arrive at a net unencumbered cash and investments balance on a regulatory basis for each fund, and the reporting of changes in unencumbered cash and investments of a fund resulting from the difference in regulatory basis receipts and regulatory basis expenditures for the fiscal year. All recognized assets and liabilities are measured and reported at cost, unless they have been permanently impaired and have no future cash value or represent no future obligation against cash. The KMAAG regulatory basis does not recognize capital assets, long-term debt, accrued receivables and payables, or any other assets, liabilities or deferred inflows or outflows, other than those mentioned above.

The County has approved a resolution that is in compliance with K.S.A. 75-1120a(c), waiving the requirement for application of generally accepted accounting principles and allowing the County to use the regulatory basis of accounting.

Regulatory Basis Fund Types

In governmental accounting, a fund is defined as an independent fiscal and accounting entity with a self-balancing set of accounts recording cash and other financial resources, together with all related liabilities and residual equities or balances, and changes therein, which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions or limitations.

General Fund - the chief operating fund. Used to account for all resources except those required to be accounted for in another fund.

Special Purpose Fund - used to account for the proceeds of specific tax levies and other specific regulatory receipt sources (other than Capital Project and tax levies for long-term debt) that are intended for specified purposes.

Capital Project Fund - used to account for debt proceeds and other financial resources to be used for acquisition or construction of major capital facilities or equipment

Notes to The Financial Statements

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Regulatory Basis Fund Types (Continued)

Bond and Interest Fund - used to account for the accumulation of resources, including tax levies, transfers from other funds and payment of general long-term debt.

Business Fund - funds financed in whole or in part by fees charged to users of the goods or services (i.e. enterprise and internal service fund etc.).

Trust Fund - funds used to report assets held in trust for the benefit of the County (i.e. pension funds, investment trust funds, private purpose trust funds which benefit the County, scholarship funds, etc.).

Agency Fund - used to report assets held by the County in a purely custodial capacity (payroll clearing fund, county treasurer tax collection accounts, etc.).

Budgetary Information

Kansas statutes require that an annual operating budget be legally adopted for the general fund, special purpose funds (unless specifically exempted by statute), bond and interest funds and business funds. The statutes provide for the following sequence and timetable in the adoption of the legal annual operating budget:

1. Preparation of the budget for the succeeding calendar year on or before August 1st.
2. Publication in the local newspaper of the proposed budget and notice of public hearing on the budget on or before August 5th.
3. Public hearing on or before August 15th, but at least ten days after publication of the notice of hearing.
4. Adoption of the final budget on or before August 25th.

If the County is holding a revenue neutral rate hearing, the budget timeline for adoption of the final budget has been adjusted to on or before September 20th. The County did hold a revenue neutral rate hearing for this year.

The statutes allow for the governing body to increase the originally adopted budget for previously unbudgeted increases in regulatory receipts other than ad valorem property taxes. To do this, a notice of public hearing to amend the budget must be published in the local newspaper. At least ten days after publication the hearing may be held and the governing body may amend the budget at that time. The budget for the year ended December 31, 2022 was not amended.

The statutes permit transferring budgeted amounts between line items within an individual fund. However, such statutes prohibit expenditures in excess of the total amount of the adopted budget of expenditures of individual funds. Budget comparison statements are presented for each fund showing actual receipts and expenditures compared to legally budgeted receipts and expenditures.

All legal annual operating budgets are prepared using the regulatory basis of accounting, in which regulatory receipts are recognized when cash is received; and expenditures include disbursements, accounts payable, and encumbrances, with disbursements being adjusted for prior year's accounts payable and encumbrances. Encumbrances are commitments by the County for future payments and are supported by a document evidencing the commitment, such as a purchase order or contract. Any unused budgeted expenditure authority lapses at year-end.

A legal operating budget is not required for certain special purpose, capital project, trust and agency funds. Funds which require a legal operating budget are listed in Schedule 1 on page 14.

Spending in funds which are not subject to the legal annual operating budget requirement is controlled by federal regulations, other statutes, or by the use of internal spending limits established by the governing body.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Special Assessments

Projects financed in part by special assessments are financed through general obligation bonds of the County and are retired from the Bond and Interest Fund. Special assessments paid prior to the issuance of the bonds are recorded as receipts in the appropriate project. Special assessments received after the issuance of bonds are recorded as receipts in the Bond and Interest Fund.

Reimbursements

The County records reimbursable expenditures in the fund that makes the disbursement and record the reimbursements as receipts to the fund. For the purpose of budgetary comparisons, the reimbursement is recorded as a qualifying budget credit in the fund receiving the reimbursement.

NOTE 2 - DEPOSITS

Deposits. K.S.A. 9-1401 establishes the depositories which may be used by the County. The statute requires banks eligible to hold the County's funds have a main or branch bank in the county or in an adjoining county if such institution has been designated as an official depository, and the banks provide an acceptable rate of return on funds. In addition, K.S.A. 9-1402 requires the banks to pledge securities for deposits in excess of FDIC coverage. The County has no other policies that would further limit interest rate risk.

Investments. K.S.A. 12-1675 limits the County's investment of idle funds to time deposits, open accounts, and certificates of deposit with allowable financial institutions; U.S. government securities; temporary notes; no-fund warrants; repurchase agreements; and the Kansas Municipal Investment Pool. The County has no investment policy that would further limit its investment choices. As of December 31, 2022, the County held no such investments.

Concentration of credit risk. State statutes place no limit on the amount the County may invest in any one issuer as long as the investments are adequately secured under K.S.A. 9-1402 and 9-1405.

Custodial credit risk - deposits. Custodial credit risk is the risk that in the event of a bank failure, the County's deposits may not be returned to it. State statutes require the County's deposits in financial institutions to be entirely covered by federal depository insurance or by collateral held under a joint custody receipt issued by a bank within the State of Kansas, the Federal Reserve Bank of Kansas City, or the Federal Home Loan Bank of Topeka, except during designated "peak periods" when required coverage is 50%. The County's designated "peak periods" are December 1 - January 29 and May 1 - June 29.

At December 31, 2022, the County's carrying amount of deposits was \$28,196,889 and the bank balance was \$28,770,307. The bank balance was held by four banks, which does not result in a concentration of credit risk. Of the bank balance, \$1,250,000 was covered by federal depository insurance; \$18,798,842 was collateralized with securities held by the pledging financial institutions' agents in the County's name; \$9,879,872 was unsecured under a designated peak period; and the balance of \$3,820 was unsecured, which is a violation of K.S.A. 9-1402.

Custodial credit risk - investments. For an investment, this is the risk that, in the event of the failure of the issuer or counterparty, the County will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. State statutes require investments to be adequately secured.

Cash with Special Obligation Bonds Trustee. On March 15, 2007, the County executed a Bond Trust Indenture with Exchange National Bank & Trust Co. to provide security for the Series 2007-A Special Obligation Sales Tax Revenue Bonds. The bonds were refinanced on October 10, 2016, with Series 2016-A bonds. The trustee holds and administers the Trust Estate, upon the terms and conditions set forth in the indenture.

NOTE 3 - DEFINED BENEFIT PENSION PLAN

Plan description. The County participates in the Kansas Public Employees Retirement System (KPERS), a cost-sharing multiple-employer defined benefit pension plan as provided by K.S.A. 74-4901, *et seq.* Kansas law establishes and amends benefit provisions. KPERS issues a publicly available financial report that includes financial statements and required supplementary information. KPERS' financial statements are included in its Comprehensive Annual Financial Report which can be found on the KPERS website at www.kpers.org or by writing to KPERS (611 South Kansas Avenue, Suite 100, Topeka, Kansas 66603) or by calling 1-888-275-5737.

Contributions. K.S.A. 74-4919 and K.S.A. 74-49,210 establish the KPERS member-employee contribution rates. KPERS has multiple benefit structures and contribution rates depending on whether the employee is a KPERS 1, KPERS 2 or KPERS 3 member. KPERS 1 members are active and contributing members hired before July 1, 2009. KPERS 2 members were first employed in a covered position on or after July 1, 2009, and KPERS 3 members were first employed in a covered position on or after January 1, 2015. Effective January 1, 2015, Kansas law established the KPERS member-employee contribution rate a 6% of covered salary for KPERS 1, KPERS 2 and KPERS 3 members. K.S.A. 74-4975 establishes KP&F member-employee contribution rate at 7.15% of covered salary. Member contributions are withheld by their employer and paid to KPERS according to the provisions of Section 414(h) of the Internal Revenue Code.

State law provides that the employer contribution rates for KPERS 1, KPERS 2, KPERS 3 and KP&F be determined based on the results of each annual actuarial valuation. Kansas law sets a limitation on annual increases in the employer contribution rates. The actuarially determined employer contribution rate (not including the 1% contribution rate for the Death and Disability Program) and the statutory contribution rate was 8.90% for KPERS and 22.99% for KP&F for the fiscal year ended December 31, 2022. Contributions to the pension plan from the County were \$499,298 for KPERS and \$457,857 for KP&F for the year ended December 31, 2022.

Net Pension Liability. As of December 31, 2022, the County's proportionate share of the collective net pension liability reported by KPERS was \$4,953,471 for KPERS and \$4,409,292 for KP&F. The net pension liability was measured as of June 30, 2022, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of December 31, 2021, which was rolled forward to June 30, 2022. The County's proportion of the net pension liability was based on the ratio of the County's contributions to KPERS, relative to the total employer and non-employer contributions of the Local subgroup within KPERS. Since the KMAAG regulatory basis of accounting does not recognize long-term debt, this liability is not reported in these financial statements.

The complete actuarial valuation report including all actuarial assumptions and methods, and the report on the allocation of the KPERS collective net pension liability to all participating employers are publicly available on the KPERS website at www.kpers.org or can be obtained as described above.

NOTE 4 - COMPENSATED ABSENCES

The County provides certain paid time off benefits to full-time and Class A part-time employees based on length of service with the County. Paid time off benefits are earned based on years of service per the following schedule:

Average Shift Length									
37.50 - 40.00 Hr/Week		42.00 - 48.00 Hr/Week		56 Hr/Week		Part Time		Salaried	
Years of Service	Hours Accrued Per Payroll	Years of Service	Hours Accrued Per Payroll	Years of Service	Hours Accrued Per Payroll	Years of Service	Hours Accrued Per Payroll	Years of Service	Days Accrued Per Year
0 - 4	6.5	0 - 4	7.25	0 - 4	10.25	0 - 4	3.25	0 - 4	30
5 - 9	7.5	5 - 9	8.25	5 - 9	11.25	5 - 9	3.75	5 - 9	32
10 - 14	8	10 - 14	8.75	10 - 14	12	10 - 14	4	10 - 14	35
15 +	9.5	15 +	10.5	15 +	14.25	15 +	4.75	15 +	40

Good standing full-time employees with more than one year of service who voluntarily leave employment with the County will receive payment for any earned but unused paid time off benefits, not to exceed the maximum hours allowed per the following schedule:

Average Shift Length					
37.50 - 40.00 Hr/Week		42.00 - 48.00 Hr/Week		56 Hr/Week	
Years of Service	Maximum Accrual	Years of Service	Hours Accrued Per Payroll	Years of Service	Hours Accrued Per Payroll
0 - 4	208	0 - 4	240	0 - 4	336
5 - 9	240	5 - 9	264	5 - 9	360
10 - 14	264	10 - 14	288	10 - 14	384
15 +	320	15 +	360	15 +	480

The payment will be received with the employee's final paycheck and shall be calculated based upon the employee's rate of pay at the time of separation. There will be no payout of earned but unused paid time off benefits for salaried employees upon voluntarily leaving employment with the County.

As of December 31, 2022, the County's liability for unused paid time off benefits was \$307,462.

NOTE 5 - OTHER LONG-TERM OBLIGATIONS FROM OPERATIONS

Other Post-Employment Benefits. As provided by K.S.A. 12-5040, the County allows retirees to participate in the group health insurance plan. While each retiree pays the full amount of the applicable premium, conceptually, the County is subsidizing the retirees because each participant is charged a level premium regardless of age. However, the cost of this subsidy has not been quantified in this financial statement.

Under the Consolidated Omnibus Budget Reconciliation Act (COBRA), the County makes health care benefits available to eligible former employees and eligible dependents. Certain requirements are outlined by the federal government for this coverage. The premium is paid in full by the insured.

Death and Disability Other Post-Employment Benefits. As provided by K.S.A. 74-4927, disabled members in the Kansas Public Employees Retirement System (KPERs) receive long-term disability benefits and life insurance benefits. The plan is administered through a trust held by KPERs that is funded to pay annual benefit payments. The employer contribution rate is set at 1% for the year ended December 31, 2022.

NOTE 6 - CONTINGENCIES

The County receives significant financial assistance from numerous federal and state governmental agencies in the form of grants and state pass-through aid. The disbursement of funds received under these programs generally requires compliance with the terms and conditions specified in the grant agreements and is subject to audit. Any disallowed claims resulting from such audits could become a liability of the General Fund or other applicable funds. However, in the opinion of management, any such disallowed claims would not have a material effect on any of the financial statements of the County as of December 31, 2022.

Notes to The Financial Statements

NOTE 7 - MEDICAL SELF-INSURANCE PLAN

The County has established a program to pay medical claims of covered current and former County employees and additional health insurance premiums. Liabilities are reported when it is probable that claims have been incurred and the amount of the liability can be reasonably estimated. An excess coverage insurance policy covers individual claims over a certain amount. Liabilities include an amount for claims that have been incurred but not reported (IBNR). Claim liabilities are calculated by the plan administrator and are expected to be liquidated with expendable available financial resources.

The below table summarizes activity for the year ended December 31, 2022:

	<u>2021</u>	<u>2022</u>
Unpaid claims, January 1	\$ 75,116	\$ 103,083

NOTE 9 - LITIGATION

The County is involved in various lawsuits arising in the ordinary course of business. Management expects a favorable outcome in these matters. In the event of an unfavorable outcome, the County management believes any potential losses will not have a material impact on the financial position of the County.

NOTE 10 - RISK MANAGEMENT

The County is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; and natural disasters for which the County carries commercial insurance. No significant reductions in insurance coverage from that of the prior year have occurred. Settlements have not exceeded insurance coverage for each of the past three years.

		<u>\$ 3,280,000</u>	<u>\$ 4,000,000</u>		

On June 29, 2022, the County issued General Obligation Bonds, Series 2022-A, in the amount of \$2,000,000. Proceeds of the bonds will be used to pay the costs of certain county road improvements. The bonds carry an interest rate of 3.105% and are scheduled to mature on October 1, 2029.

The annual debt service requirements to maturity for the general obligation bonds are as follows:

<u>Year Ending December 31,</u>	<u>Principal</u>	<u>Interest</u>
2023	\$ 440,000	\$ 121,106
2024	475,000	91,057

The annual debt service requirements to maturity for the STAR bonds are as follows:

NOTE 11 - LONG-TERM DEBT (CONTINUED)

Year Ending <u>December 31,</u>	<u>Principal</u>	<u>Interest</u>
2023	\$ 395,809	\$ 30,210
2024	406,223	19,796

2026	<u>123,550</u>	<u>612</u>
	<u>\$ 1,342,495</u>	<u>\$ 59,725</u>

In 2007, the County issued Atchison County Sales Tax Revenue Bonds (STAR Bonds) in the amount of \$5,180,000. The proceeds were used to finance the construction and maintenance of sports and recreational facilities within the County. An excise/sales tax has been imposed on purchases made within the County and the revenues will be used to retire the bonds. In 2012, the County issued Sales Tax Refunding Revenue Bonds in the amount of \$4,810,000 for the purpose of refunding the Series 2007-A bonds and related reserves and financing costs. In 2016, the County refinanced the bonds into Series 2016-A in the amount of \$3,543,255. Because the retired bonds were never intended to be a permanent financing mechanism and because of the structure of the retired bonds (a maturity of less than three years with all principal due at maturity), a meaningful comparison of debt service between the new debt and the retired debt, meaningful analysis of economic gain or loss on the transaction could not be made. The bonds are considered a special obligation to the County secured by a pledge of the excise/sales tax revenues. The bonds are not a general obligation to the County, nor do they go against the County's debt limit. Interest on the bonds is payable monthly at a rate of 2.6%.

The bonds are subject to special mandatory redemption provisions starting December 1, 2012, and on each December 1 thereafter at a redemption price equal to the principal amount of Series 2016 Bonds redeemed, plus accrued interest thereon to the redemption date.

Finance Leases. The County has entered into lease agreements for the acquisition of equipment in the current and prior years.

The following table details the County's outstanding finance lease agreements as of December 31, 2022:

<u>Finance Leases</u>	<u>Interest Rate</u>	<u>Amount Outstanding</u>	<u>Original Amount</u>	<u>Date of Issue</u>	<u>Final Maturity</u>

NOTE 11 - LONG-TERM DEBT (CONTINUED)

Bonded Indebtedness Limitation. Kansas statutes restrict the level of the authorized and outstanding bonded indebtedness of the County to not more than three percent of the assessed valuation of all tangible property within such county, as certified to the County Clerk on the preceding August 25th valuation date. Following is the County's debt limitation and debt margin as of December 31, 2022:

Total assessed valuation	\$ 182,938,807
3% debt limitation per K.S.A. 10-306	5,488,164
Total outstanding general obligation debt	<u>3,280,000</u>
General obligation debt margin	<u>\$ 2,208,164</u>

Conduit Debt. From time to time, the County has issued industrial revenue bonds to provide financial assistance to private-sector entities for the acquisition and construction of industrial and commercial facilities deemed to be in the public interest. The bonds are generally payable from and secured by the project financed and if needed, additional assets and/or revenues of the private-sector entity served by the bond issuance. Upon repayment of the bonds, ownership of the acquired facilities transfers to the private-sector entity served by the bond issuance. Neither the County, the State, or any political subdivision thereof is obligated in any manner in the repayment of the bonds. Accordingly, the bonds are not reported as liabilities in the accompanying financial statements.
